SQL, MySQL, HeidiSQL, MariaDB,
phpMyAdmin

Tools & Platforms

IntelliJ, Maven, Git, Bash, Spring
Boot, MVC, Jira, Bitbucket,
Postman

PROJECTS

Mobile Casino – Collaborating with a team of 3 members to build a casino application that run across platform. My challenge is to back-end of Street Craps Dice game, and to build testing for the application. Technology used to complete the project is Java and Spring Boot

COVID-19 TRACKER – Independently developing an app for users to search and watch the current event of virus (corona virus) infection around the world. This project is used Java, jQuery, and CSV Reader.

Student4Student – Collaborate with team of 4 to build a responsive web application that allows students to trade with others within the campus. My challenge is to build a Register page and a User message page with JavaScript.

EXPERIENCE

YIKES

Philadelphia, PA

Full Stack Developer

Feb 2020 – Present

- Developing custom WordPress web themes and custom plugins using PHP MVC and Bootstrap 4 framework.
- Deploying from local environment to staging them to production using Git Bash and Bitbucket.
- Maintenance and QA on several smaller plugins and software for clients.

MarketYou

Las Vegas, NV

Web Design Assistant

May 2019 – Sep 2019

- Collaborated with Team Lead on project specifications, strategy and execution to build WordPress pages.
- Provided timely resolution to reported website problems by integrating new solutions into existing platforms.
- Designed interfaces and graphics for presentations and mobile-delivered applications to enhance content.

La Salle University

Philadelphia, PA

Web Developer

May 2018 – Dec 2018

- Collaborated with product team leader and developers to initiate process improvements.
- Designed and implemented functional application form for student and staffs across new and existing designs.
- Developed user interfaces with modern Bootstrap4 framework, PHP, JavaScript, HTML5 and CSS3.
- Demonstrated the ability to work with assigned tickets through Jira and Bitbucket console.
